

Accessibility Statement

Last updated: 24th June 2025

MJones Compliance is committed to making our website accessible and usable for everyone, including people with disabilities.

We want every visitor to have a smooth experience when using our site and aim to meet the accessibility requirements of the **Web Content Accessibility Guidelines (WCAG) 2.1**, Level AA.

What We're Doing

We aim to:

- Use clear, easy-to-read fonts and contrast
- Ensure the website is navigable by keyboard
- Add alt text to all meaningful images
- Use descriptive link text
- Avoid flashing or moving content that may cause issues for some users
- Maintain a responsive design that works on desktop, tablet, and mobile devices

Known Limitations

Our website is built using Wix, which offers built-in accessibility features. However, some accessibility functions may depend on your browser or personal settings.

If you encounter any difficulty using the website or accessing content, please let us know — we're happy to help.
